There are references. You might have some of these already. I'll try to send them in 3 emails.

Also, our size limit is 10 mb. If there is more to the document (attachments or references) is there a place that I can download the document? Or send it to my yahoo account jblankenau@yahoo.com

Thanks,

Hi Jim - Do you know your size limit for incoming messages? I've tried to send the memo I committed to write a couple of times to you and Diane. The issue is the referenced documents are sizeable and I keep receiving returned emails from your and Diane's email system.

So you have it, I'm attaching just the memo to this email.

Could you confirm when you receive this?

Thanks, Rob
